TERM 3 UNDERWAY!

Just like that we are back and into the second half of the year. We hope you have had a good break and are ready for another busy term of learning and fun. Welcome to all of our new tamariki and their whānau this term. We have had a lot of new tamariki start in the last few days and we know you will love learning at Kaiti. Our door is always open to answer any questions or queries you might have. Nau mai, haere mai.

CLASS UPGRADES

Tane te Hihiri and Tane te Mahara have transitioned into their new learning space for the term - the hall - and are excited to see the progress already with their classrooms. Due to having these two classes working in the hall it means things like big assemblies and inside sports are out for this term. Kapa Haka and smaller class group gatherings will happen in some of the bigger spaces though where there is room. We look forward to seeing the progress in this learning space over the term.

NGĀ ATUA - MAHI TOI

This term starts with all of our classes looking at Ngā Atua and then using this and inspiration from a chosen artist to create an art piece. Talk to your tamariki about what they are learning, who the Atua is that they are going to be creating an art piece about and who the artist is that they are learning about. You will get a chance to view these art pieces during Ako Hui towards the end of the term too.

BANKING

Over the first half of the term we had 11 consistent bankers who get a \$10 banking reward. Well done to these tamariki. Let's lift this number for the second half of the term. It doesn't matter how much you bank, but it is the about creating the habit of saving. Bring in your banking every week for the next two terms to gain an extra \$10. The amazing bankers are below

BOARD ELECTIONS

A reminder that board nominations for parent representatives close on the 3rd of August. Being a board member is a long term commitment and does require that you be available to attend hui, participate and contribute to kōrero and decisions for the kura and attend and engage with whānau at school events. Being a board member can be a wonderful way to contribute to the kura and we encourage whānau to consider this role. Please talk to Kōkā Bev our Returning Officer for more information.

Kaiti Board of Trustees above ...

Annette Toupili (Chairperson) Turuhira Tamale, Billie Jean Potaka Ayton, Alyssa Maynard Wilson, Charmaine Pahuru, Bobby Totoro, Many Owen and Wiremu Ruru (Deputy Chairperson)

SWIMMING ACADEMY

If you are interested in your child being part of the swimming academy then please pop into the office and pick up a panui to register your child. Please note that a requirement for tamariki to be part of this is a commitment from whānau to help with either drop offs back to school or with breakfast.

WINTER SPORTS

School Based Games - the correct gear must be worn for tamariki to participate. No long pants for rugby thank you and no school polos. They must be wearing their sports tees. If you have the wrong gear, you will remain in class. Please teach kids about taking responsibility and being organised the night before to bring their gear themselves rather than dropping it in for them.

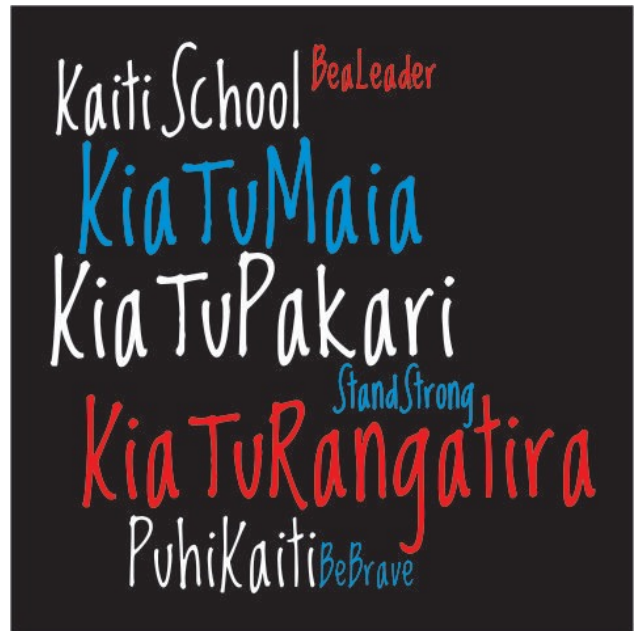

Hockey - Games for our Year 3/4 and Year 5/6 teams start this week. Good luck to them, they have been working hard in their academy trainings, and have been given a panui about their games.

Soccer - this continues from this weekend. Tamariki have 6 more games so please ensure they are turning up and not letting their team-mates down.

Cross Country - tamariki are training for this at school, and this will be coming up in the next few weeks. Encourage your tamariki to work on their fitness for this.

CAMPS

The teachers in our senior classes have been busy planning for the Year 6 and Year 7/8 camps happening in Term 4. Expectations for attending camps have been shared with these tamariki. A high standard of behaviour and a high attendance level is required. If tamariki want to be taking part in these then they must be attending kura 90% of the time. The tamariki will also be doing some fundraising ventures over the term with the expectation that tamariki contribute to these also. Look out for the notices for the bake sales and please help your tamariki to make something to contribute to these.
