

Updates @ Kaiti

Kia Tū Maia, Kia Tū Pakari, Kia Tū Rangatira

Week 2 already!

Above, Whare Atawhai are loving learning about The World - its people, their culture and ways of life, special places and the land. There is lots to learn about - Te Ao Whānui - the wider world.

What a great start to term 4

It has been a really nice start to term 4. We are all focussed and loving our learning about Te Ao Whānui - the wider world. There is so much out there to learn about: other people; their culture; their language; their kai, special places; cities; seas and distant lands. We know a lot about ourselves which is so important but equally important is to broaden our horizons and learn about Te Ao Whānui - the wider world.

Hats are on this term

Our tamariki know it matters that we wear our potae out in the sun. Please remind them to bring their potae every day to kura. Ensure your hat is clearly named so that it can be returned to you if found.

We were very sad to farewell Kōkā Bianca Downes at the end of term 3. Kōkā has been a special Kaiako here for over 8 years. She has moved with her whānau to Wellington (: We send our aroha to Kōkā B. We are so pleased to welcome back Kōkā Kate from Maternity leave. Kōkā is enjoying her time with the akonga of Whare Tipu, Nau mai Kōkā Kate. :)

Kaiti Kura Inaugural Year Book - order now!

We have never had a year book and this year we decided it was time to record special memories of our kura, for our pupils to look back on in years to come. We are running a limited print run of the 2022 Year Book. The year book contains a spread on every class with every pupil featuring, sports, special events and last words from our year 8 leavers. All year 8 students will receive a year book free as a koha for their time, effort and service to Kaiti School. To secure your 2022 Inaugural Collectors Edition Year book, please order and pay at the office. The cost for this special memento will be \$20.

Safety Walking Home

Keep an eye out for tamariki on their way home. Earlier this week, a member of the public contacted us to advise that she intervened two males in a green sedan who pulled up alongside two of our little girls walking home towards Tamarau. She told the men off and sent them on their way. Please walk with siblings or in groups and keep an eye out.

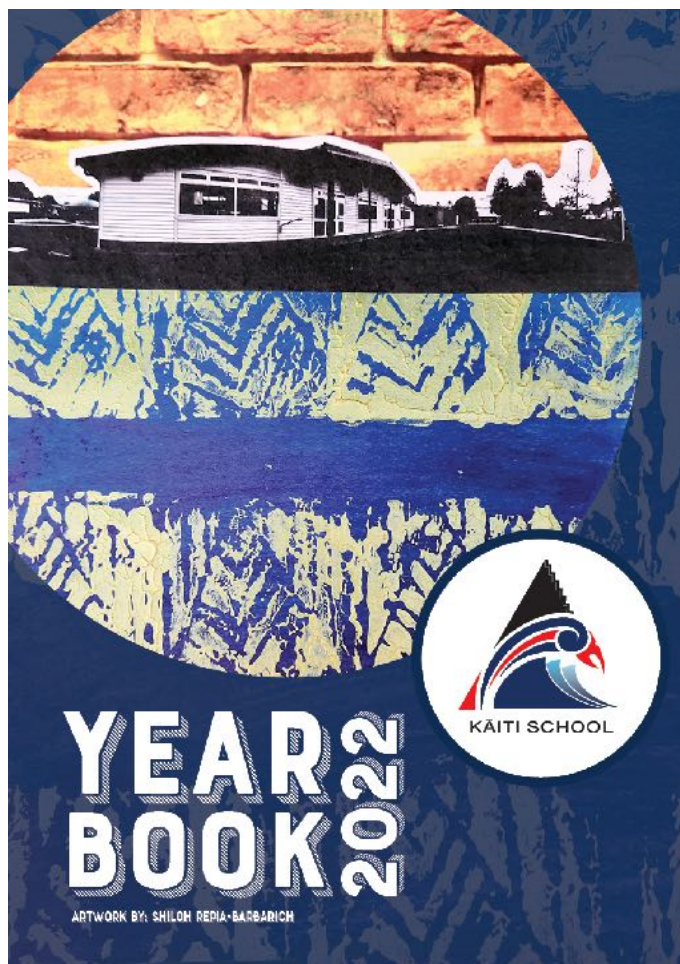

Porouariki Teachers only day

It's the turn of the town kura to host the Porouariki Kaiako Wānanga on Friday 11 November. This will be a staff only day, please note this date down and make other plans for your child on this day.
