ATTENDANCE

Today's attendance rate is 90%. Well done whānau for ensuring that your tamariki are at school. Just a reminder that if your tamaiti or tamariki are going to be absent, please ring our school office and inform them. If you do not make an effort to contact school then expect a call from Kōkā Amoe our Truancy officer. If your tamaiti or tamariki are frequently absent from school without an explanation, then Kōkā Amoe will do a home visit and explain the next course of action from the school. Thank you to all those whānau that do the right thing and ring our school office to advise us of any absences. This is very helpful, thank you.
