Kia ora whānau, ngā mihi mahana ki a koutou i te rā nel.

## ATTENDANCE

Well done whānau our attendance rate yesterday was 91% and we have been in the high 80s for most of the week. We only have 2 weeks of school left, so lets see if we can maintain these percentage rates if not better them, till the end of the year! Just a reminder that our 100% attendance students will be going on a mystery trip on the last Tuesday of the term. Kia kaha tamarika mā, we are nearly there!

## TURANGANUI FESTIVAL

Ngā mihi ki a koutou te whānau mo to tautoko ki Te Kura o Kaiti i tera Rāmere. It was lovely to see the whānau in full force at the Event Centre cheering on our tamariki at the Turanganui Festival, last Friday. Our tamariki were amazing and turned it on for everyone. Everyone enjoyed themselves and loved performing on stage.

## YEARBOOK

Orders have closed. The first run of orders will be sent home on the 8th of December and the follow up order by the end of the year.

## BI LINGUAL CLASSROOMS

If you want your child to move into a Bilingual classroom, this is the last chance for whānau to let us know. We are starting to think about organisation for next year, so we need to know as soon as possible.

## VAPING

This week we have had to send 3 tamariki home for having vapes at school. Children should not be playing with vapes at school. It is illegal to bring vapes to school as they are prohibited. Our tamariki are bringing them to school from home, so please do not leave your vapes lying around the home or in a place where they can be easily seen and taken. Your support in this matter would be greatly appreciated

## BANKING

Well done too the 37 tamariki that banked last week. We seem to be consistently hitting the 30's mark with our banking and need to step it up in these last 2 weeks of the year. #bankingmatters2022#

## SPORTS UPDATE

### MINI BALL

Just a reminder to teams that practices continue with coaches this week. The last day for Mini ball is Saturday the 17th of December. #enjoythelast2games#

### T.BALL

This Saturday is the last day for T.Ball. Thank you to all our coaches and managers for volunteering to take on these positions. Our tamariki and whānau are extremely grateful for your commitment as without you we would not have any teams.

## WHĀNAU ORA

The kaupapa behind the Whānau Ora programme we offer at Kaiti School is about supporting our whānau to improve their health and wellbeing so they lead rich and full lives. Whānau Ora provides the appropriate services and support so whanau can achieve their goals and aspirations. Whānau Ora also encourages whānau to be self-managing and actively engaged in their tamariki's lives and their communities. This week I am going to showcase our Hinemaia Programme. This is a 8 Week programme for mama that focuses on Well Beingand the kaupapa based on Te Whare Tapa Wha. Currently there are 11 mama registered in this programme. Here are some photo's of our mama engaged in a variety of activities in our hapori. #whanauachievingtheirgoals#.
