Year 8 Leavers Dinner

The Tū Rangatira Kaiako put on a special leavers dinner for our Year 8 students. What a wonderful night it was for the kaiako and the akonga who arrived in their number 1s looking amazing! Special congratulations to Ana Tamale who was awarded Te Kapehu o Maia award by her kaiako for modelling the values of Maia and his tipuna. We wish this special group of akonga the best of luck in their learning journeys moving forward to secondary schooling.

Saving for our futures

Congratulations to the students and whānau who have kept up with their banking and saving consistently this year. You will receive a \$10 credit for your efforts for terms 3-4 which has been kindly sponsored by the schools cleaning provider OCS Cleaning Services.

Last week there were 33 bankers and we welcome two new bankers who are starting out on their savings journey for the future, they are Ratu Banuve and Mereaira Ribbon-Baker. If you would like to get your child back into savings, please see Kōkā Bev in the office.

A job very well done!

Last week Kōkā Mackenzie King and Matua James Wilson completed their two years of teacher training registration and graduated at the NZEI Graduation Ceremony. We are very proud to have supported these two impressive kaiako of the future. Ka Rawe Kōrua.

Hinemaia go fishing

Wow, the Hinemaia Mama Hauora group are taking up the challenge and putting themselves out there. This week, it was a charter boat fishing trip with touchstone Fishing Charters. Kōkā Trish had a nervous start to her fishing experience but her sea legs soon kicked in and her line was busy all day!

Our Boys 2 Men

A special day for the boys was held last week to talk about men stuff and being a good man. Really lovely to see some of our Dads come along to help the Matua out with this kōrero. Special mihi to Matua Tim Brown from NZ Amy for supporting this kaupapa. # Trish and Amoe Adventures

Girls Growing up

Girls also got some time to kōrero with Annette Toupili about growing up, preparing for this time of growth and knowing what to do when this time comes. It was a colourful, fun morning with some treats for morning tea, then off for adventure activities outside. #another Trish and Amoe Adventure

A lot happens here in one week

I am just looking through this pānui at all of the adventures that we have had this past week at kura. A lot does happen in one week at school and it's like this every week at Kaiti. It's been another very successful year for our kura. The people that make all of these adventures become a reality are the staff and our parents - the whānau. We are so grateful to everyone for making school a fun and exciting place to learn. We close next Wednesday 14 December at 1pm. Ngā mihi Kōkā Billie-Jean Potaka Ayton
