Fast 5 for our TR teams

We had two Year 7-8 teams compete at the recent Fast 5 Intermediates tournament. Some excellent results on the courts with Team 1 winning all of their games and team 2 losing just one game. Kōkā Sandy was impressed with both teams readiness to play, their positive attitude and behaviour and sportsmanship through out the day. Nice to hear this good news. Unfortunately the Year 5-6 competition has been cancelled due to weather,

We stand with Comet

Kaiti School has a long history of swimming with the Comet swimming club. These amazing coaches taught my own two tamariki to swim when they were toddlers. Our Kaiti kids have loved their swimming lessons with Comet. We encourage whānau to continue to support Comet by signing the petition that is currently being circulated in support of Comet Swimming Club's application to be the chosen provider for the Learn to Swim programme at the new Kiwa Pools. Currently this petition has 1800 votes. Please support whānau.

Sports Performance Wānanga

We are excited to hold our inaugural sports wānanga this coming Thursday morning. This Wānanga is for Senior students only who attend the Sports Academies.
