Welcome to Kōkā Kalo in Whare Kōrero

Term 3 - Lets Go! ...

Kia ora whānau, it has been so nice to start the term with some fine weather, and so lovely to see so many tamariki back at kura ready for a busy term. Please ensure our tamariki are looking smart in our Kaiti Uniform as we had a lot of random hoodies towards the end of last term, and it doesn't look tidy. It's also important that they are here to start the day at 8.45am. Looking forward to an awesome Term 3! Welcome Kōkā Kalo in Whare Kōrero and welcome back to Kōkā Kate who is in Tane the Hihiri.

This term all of the classes are currently learning about Matariki to start the term, learning karakia, setting goals, learning about Maramataka Māori, and the story of Matariki. Following this, the kaupapa will be Climate Change - Protecting our Planet, looking at causes, impacts and action. To start this term tamariki are also out running training for the Cross Country. It is going to be a busy term!

BANKING

Well done to those tamariki who have been banking consistently for the first two terms and will be receiving a \$10 bonus in their accounts. Lets get those bank books in this Friday!

ATTENDANCE

Let's see how many 100% tamariki we can get this term! Attendance matters - consistency with attendance makes a huge difference to achieving in learning.

VAN SERVICE

We are very fortunate to have the vans at kura. Pick ups for kura are on a term by term basis to be fair to all families who need a bit of help with transport every now and then. The Kaiti van run commences week 2. Students who are on the van this term received a pānui at the end of term 2. Please ensure that your tamariki are ready to go in the mornings.

SCHOOL PHOTOS

These are being taken on the 24th/25th August. Look out for envelopes coming home very soon. These will have a date on them when they need to be back so please take note of this so you don't miss the cutoff. If you are wanting whānau photos a time will be allocated to make it easier to manage working through these. There will be limited spaces for these.

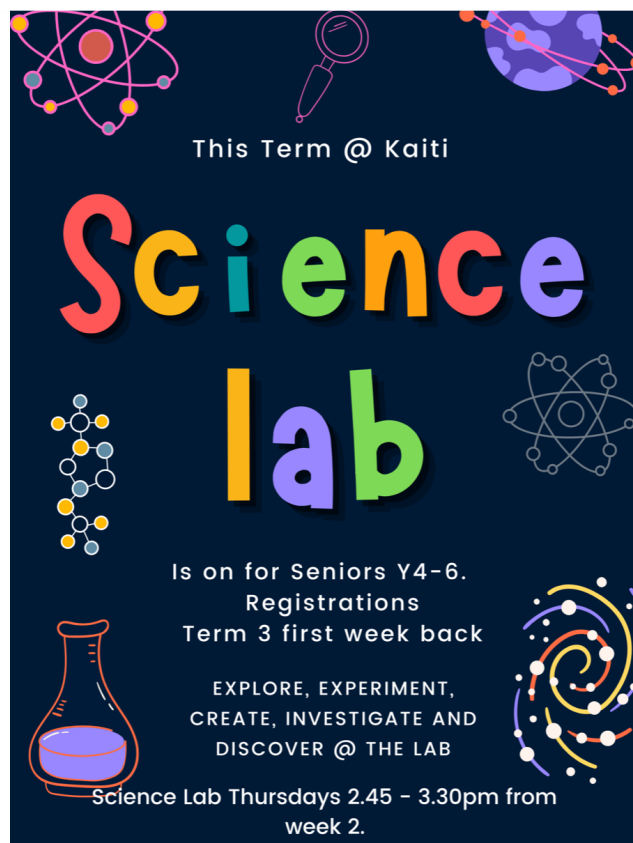

SPORTS

Sports and Academies continue into Term 3. Netball has their final weekend for our seniors this weekend, and this Friday the Term 3 Interschool competition starts with Y5/6 playing Awapuni away at Awapuni School. The Rugby Interschool competition starts this Friday also. Soccer continues on Saturday for all of those teams and Hockey begins in a few weeks for our Year 5/6 and Year 3/4 players. Koka Rose's Swimming Academy is back in Week 2 also.

CROSS COUNTRY

All of our classes are out training for Cross Country, taking advantage of the weather while we can. Look out for the Maunga to Maunga Challenge that will be out next week, this is for everyone to have a go at and take part in.
