## Week 7 and pumping!

Kia ora whānau, our Cross Country was a big success last week, and the things that we noticed were the high participation rates from all of the classes, and the improved fitness levels from those who have been completing the Maunga 2 Maunga. Our Cross Country team are out taking part in the Interschool Cross Country today. Well done to all those competing.

The Maunga 2 Maunga has been a great success, and we have loved seeing whānau getting on board. This challenge finishes at the end of Week 8 (next week). For each pitstop each tamaiti will get one entry into the prize pool and there are a number of sports items up for grabs. For all of the tamaiti who made it to Hikurangi there will be a trip at the end of the term to the new KIWA Pools. Some have completed the challenge and are making their way back, which means more prize entries. Some tamariki that have made it to Hikurangi already are Shiloh Repia-Barbarich, Nico Walker, Noah, Sarah and Olivia Gibb, Danni Edmonds, .....and I'm sure there are many more ....

### Cross Country By Edward

Oh no! I woke up on my bed and there was no racing today. I was feeling sad.

Yuss!

Today is cross country and Bake Sale day. I raced around the big green grass field.

I was huffing and running very fast and sweat was coming down my face.

I felt like I was a good runner.

### Cross Country By Vinea

Oh no! I woke up and it was raining. I am mad!

Yuss! It is cross country today. I am sweating like a pig.

I felt proud of myself because I crossed the line. My mum, dad and my sister came to watch me.

### NO SCHOOL VANS NEXT WEEK

A reminder to parents that there is no transport next week due to the vans being out of town for AIMS Games. Whānau received a note last week about this last week also.

### TEACHERS ONLY DAY

The last day of term for Term 3 is Thursday 21st September and the kaiako have a Teachers Only Day on Friday 22nd September.

### AIMS WHĀNAU HUI

Tonight at 5pm there is a whānau hui for all those who are heading to the Aims Games next week. Every child and one member minimum from their whānau must attend this meeting. Good luck to the 30 tamariki travelling away on Sunday - have a great week representing our kura.

### BAKE SALE/DAFFODIL DAY

Thank you for supporting our Year 7/8 tamariki last week with this - they raised \$1217.10 to go towards their camp in Rotorua in Term 4. Thank you to all the bakers also for all the yummy kai. Tino reka! \$450 was raised for Daffodil Day also on Friday to support this kaupapa.

## LET'S LOOK AFTER OUR KURA

**FOOD IS EATEN INSIDE**  
SO THAT WRAPS AND PACKAGING IS NOT LEFT AROUND OUR GROUNDS  
**FOOD SCRAPS ARE COMPOSTED**  
THAT'S FRUIT AND VEGE SCRAPS. NOT BREAD OR MEAT LEFT OVERS  
**CLEAN PAPER AND CARDBOARD IS RECYCLED**  
DO YOU HAVE A PAPER BOX TO RECYCLE?  
**LUNCH CONTAINERS ARE PLACED BACK IN THE CHILLY BINS**  
DON'T FORGET TO KEEP THEM IN YOUR BAG TILL YOU GET HOME TOO.

## BANKING

Well done last week - we had 48 bankers on Friday! Welcome to our newest banker Cyrus Keelan Morris-Kemp from Whare Kōrero. Aiming for 50 bankers this week!

## CONGRATULATIONS

Congratulations Axelrose Campbell who has received the ESNZ Gisborne Star Spotters Scholarship for the 2023-24 Show season (show jumping and show hunter). She is pictured above with her pony Irie Queen or Missy, which she has formed a great partnership with. What a great achievement, we look forward to seeing your continued progress. Rawe!!

## FAIR ECOSYSTEMS

*Week 9 Friday 15 September*

We have been learning about ecosystems in the Taiao. Now its time for you to complete some research at home with your whānau on one ecosystem in our Taiao. It can be in Te Tairāwhiti or another country...you choose.

What is your ecosystem? What living and non-living organisms can you find there? Draw a diagram of your ecosystem. Who are the atua that exist in your ecosystem? Share how we can protect and look after this ecosystem so that it thrives.
