Tēnā koutou katoa! Aku mihi kia koutou e te whānau

Gosh we are a month in and so much on for our Kaiti learners. In this pānui we feature some of the kids of Kaiti - ngā kanohi o Kaiti!

Garage Sale for the Cancer Society

Thank you very much for supporting the Garage Sale last Saturday. Koka Trudy and the staff were so happy to see whānau out and about supporting this important kaupapa. The sale of the staff's taonga and treasures brought in \$1666.17. Funds raised will be given to the Cancer Society. Special mention to the staff who helped out and to two of our special students Daniel Whaitiri and Te Ahi Manuel who gave their time to support as well.

Waka Voyaging

We have moved onto the Kaupapa nui for term 1 - Waka Voyaging. This exciting kaupapa involves a visit down to the Tairāwhiti waka hourua classroom for all classes. Due to the risks being on water each class will require parental support for these visits. Can you help your child's class out with this trip? Unfortunately helpers won't be able to bring toddlers. Please see your child's teacher if you are available to assist.

Bring a hat

We are still seeing a few kids turning up with no hat. The sun is intense out there in the playground. Kaiti kids who don't have a hat have to play in the shade. School hats are available for purchase with school Bucket Hats or Caps for sale for \$10. A water bottle is a great addition as well. We are a Say Ae to Wai kura ...no fizzy or juices please.

Swimming is on

We are experiencing high attendance rates with swimming as well. 100% togs is a common thing in many classes at Kaiti. For new students swimming might not have been a feature at their last kura. Building water confidence first and feeling comfortable in and around water will only develop in our students when they get opportunities to practice. Seniors are Wednesdays and Juniors are Fridays ..please send along those togs.

Please note that there are sports teams for the juniors across these codes and we will call for registrations for junior sports closer to their seasons.

We have interschools Waka Ama coming up next week. Our teams are training weekly in preparation for this event. Panui will come home next week with details for next Wednesdays event.

The turf is complete

The multipurpose turf project has been completed and it does look great. To look after the turf, no vehicles, bikes, skates or scooters should be ridden on the turf.

Banking @ Kaiti

Last week we had 42 bankers! Well done to all.

We have about 80 bankers, so still half who are yet to bank.

Welcome to our newest Banker Piata Henare. There are a few new applications in the pipeline also. This week a notice will go home for tamariki that have a bank book but have not banked this year yet.

After School Reminders

Just a reminder whānau that come 2.30pm, our littles ones need to be collected. Any students not collected from classrooms will be taken to the office. Kaiako are still at mahi form 2.30pm but they have hui and professional development on and can't supervise students. We appreciate your support with this.
