Kia ora Whānau,

Kia Tū Maia, Kia Tū Pakari, Kia Tū Rangatira!

COVID UPDATES

Thank you for continuing to send your tamariki to school. We are following all of the guidelines to ensure that we are providing a safe learning environment for the tamariki at Kaiti. If you do have a positive case in your whare, please contact the school as soon as possible. This ensures that we can provide learning for any tamariki who are isolating or waiting for testing, and provide support for whānau if needed.

STUDENT LEADERS

Classes are currently going through the process of selecting the Student Leader Nominees from their classes. They have looked at the qualities that leaders possess and are voting for two candidates. These two candidates will then campaign, and in Week 9 we will hold Student Leader Elections where leaders will be elected from each of the roopu. Congratulations to the students who have been selected by their peers from each class.

VACCINATION CLINIC

Thanks to all of those who were involved in this last Friday. 48 vaccinations were completed on Friday. If your child has been vaccinated could you provide this to the office staff please so we have a record of this.

MASKS

Please ensure that your tamariki has a mask at kura if they are Year 4 and above. We are trying to encourage responsibility around this. This means making sure they are remembering to bring these to school and look after them.

THANKS BUNNINGS

We would like to pass on a thank you to Matt Tomlinson from Bunnings Warehouse for their generous donations. We have been able to provide all the classes with rolls of cleaning cloths which are much appreciated at this time.

SWIMMING

All classes are still swimming. Please ensure your tamariki have their togs on their swimming days. We want them to take full advantage of this opportunity so our Kaiti tamariki are confident swimmers who will be safe in the water.

Please update your details for us in case we need to get hold of you.

TE TAI AO

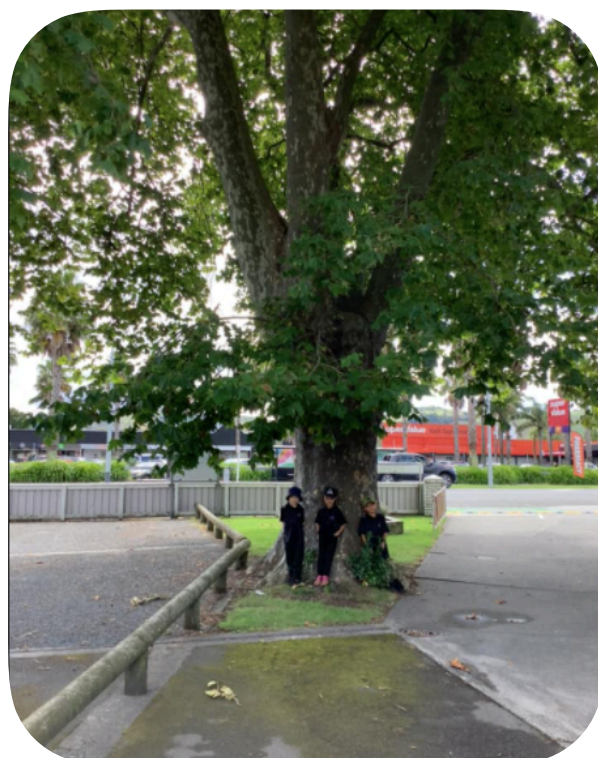

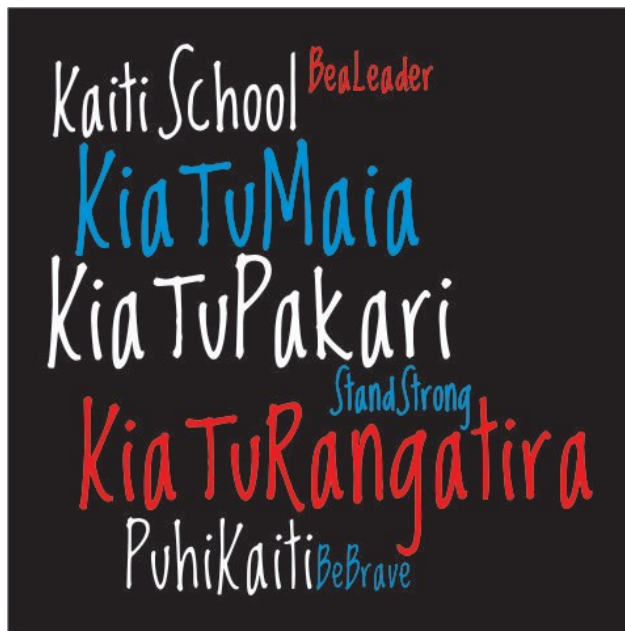

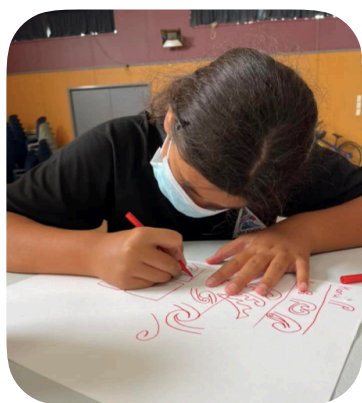

Our current unit is Te Tai ao and every class is well into their learning around this now. What are your tamariki learning about? Whare Atawhai have been out and about and have learnt about the big Plane (Pepper) Tree out the front of the school. Do you know that this tree is over 100 years old. It was planted in 1913. Whare Atawhai did some detective work and managed to find a "baby plane tree" which they are going to replant somewhere.

ACADEMIES

Some academies have started. The rugby muster yesterday had over 60 tamariki attending. Well done to those who have committed to this. Look out for the panui for soccer and hockey and ensure it is returned if your child would like to participate. Academies are for tamariki from Year 4 and up. They have the expectation of commitment and parental participation as far as ensuring your tamariki turn up, as well as helping out with things like breakfast rosters. Please talk to your tamariki about these expectations around academy participation. All academy students must wear the Kaiti Sports shirt.

TŪ RANGATIRA

Our Tū Rangatira are already well into their extra learning programmes. Matuas Steve and Maia Gibbs have been working with them, exploring drawing and working towards creating art pieces. Another group head to Uawa this week to do some learning about Tangaroa in Tolaga Bay. We look forward to seeing what comes out of these opportunities.

BANKING

We had 37 bankers last week. although the numbers are consistent, the bankers are not. Remind your tamariki to bank every week, not just every now and then. Our new bankers are Manaia in Tu Rangatira, and Te Rangimarie in Whare Atawhai. If you wish to start banking we need ID (birth cert) for the child, proof of address and two forms of ID for the parent. There are quite a few incomplete banking forms at the moment. We cannot send to the bank until we have all these things and a banking application.
