Tēnā koutou katoa

Ngā mihi ki a koutou mo te wiki Tuaiwa. After torrential rain last week and some strong wind gusts, hopefully we are in for good weather for the rest of the week. Our thoughts remain with our whānau up the coast who will be focussing on a major clean, up this week. To support the kura that were badly affected by the floods up the coast last week, we will have a mufti day on Thursday. The money from this will be given as a koha to Hatea-a-Rangi School and Te Kura o Makarika. Please support this kaupapa by sending a \$2 coin with your tamaiti or tamariki this Thursday.

Your support in this matter will be greatly appreciated.

COVID UPDATES

Tamariki can return to kura after 7 days

Your Tamaiti or tamariki can stop isolating and return to school after a negative test on day 5 and once 7 days have passed. Therefore, on day 8 we expect to see your tamaiti or tamariki back at kura. For those tamaiti or tamariki that returned to kura this week it was really nice to see everyone happy, positive and ready to get back into their mahi in class. Nau mai hoki mai tamariki ma!

Learning at home

Online learning continues for those tamaiti or tamariki isolating at home with their whānau. Please check your tamaiti's or tamariki's class facebook pages for their mahi kainga for the week. Don't stress yourselves by trying to get your tamaiti or tamariki to finish all the mahi on their class facebook page. A little bit each day is fine.

Covid data

As of week 9 these were the statistics for our kura :

- 226 tamariki were isolating
- We had 110 positive cases
- 95 tamariki returned to Kura
- 6 staff members are isolating and 6 staff members have returned to kura

Changes to covid system

There are minimal changes for schools at this current time, and the focus for us here at kura is to keep things simple and as normal as possible for our tamariki.

LEARNING OUTSIDE

This week Maui Potiki are going to be out and about in the hāpori on their bikes with Matua Fergus and Matua Paora. The destination for this class on Friday, will be Sponge Bay. This **out the gate** experience will take them along the Tuamotu express and out towards Wainui Beach.

TŪ RANGATIRA - YEAR 8s

For the last 4 weeks our Tū Rangatira students have been travelling to Uawa to learn Surf Life Saving Skills with Matua Kereama Blackman. Our tamariki have learnt how to identify a rip, how to get out of a rip, and more importantly how to seek help when they are in trouble, in the water. #savinglivesmatter#

Maia Poroaki

This year our Year 8's have also had the privilege of working with Matua Steve Gibbs and his son Maia on an Art Project that will depict Maia Poroaki. On the right is Matua Steve and Matua Maia doing a brainstorm session with Tū Rangatira students. The task was to gather and sort knowledge and information about Maia Poroaki and present it in a diagram format.
