Kia ora koutou whānau ma. Nga mihi mahana ki a koutou i tenei wa. It is Week 5 and the weeks are speeding by and we are already halfway through the term.

ATTENDANCE!

The Attendance rate on Tuesday was 92% with a few of our classrooms having full attendance throughout the week. When our students are at school everyday we see great progress happening in the classroom.

CROSS COUNTRY

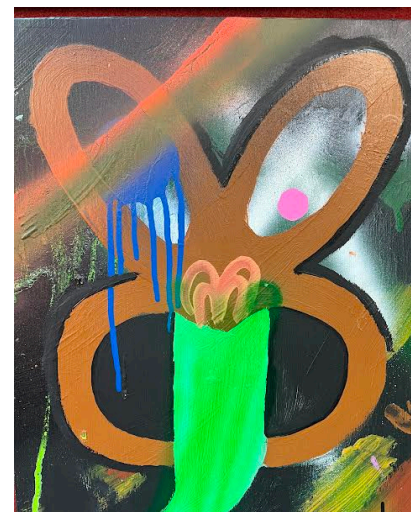

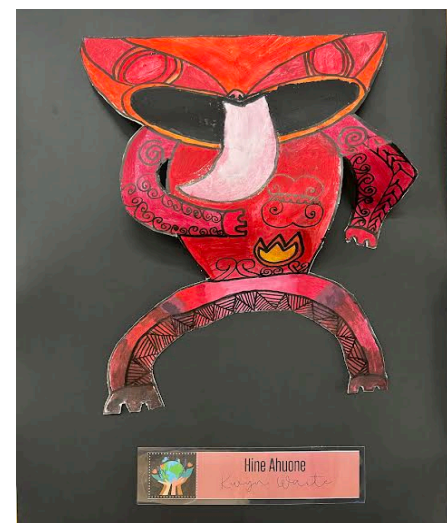

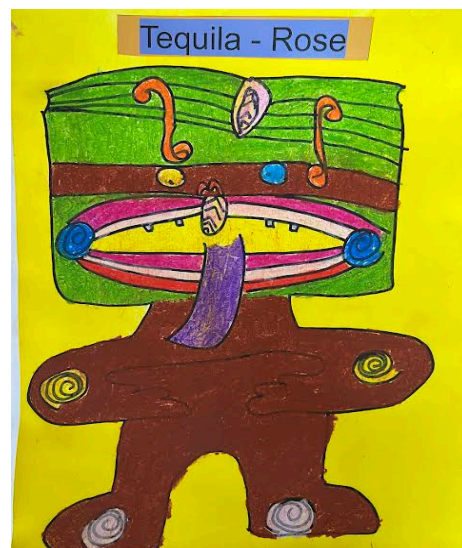

A squad has been chosen to represent Kaiti School at the Interschool Cross Country which will be held on Wednesday 31st of August at the Show Grounds. The squad has been practicing with Matua Paora every day in the lead up to the competition next week. If you are able to go along next week to support them I am sure they would love to see you.

HIGH SCHOOL

For students going to High School next year we have Prospectus' for Lytton High School, Champion College and Gisborne Boys High School in the office. If you would like to enrol your child at any of these High Schools please come in and get one of these, as the enrolment forms are inside. Also High Schools are currently holding Open Days for whānau to go along and meet and talk to the staff and find out what their school has to offer, so it is a good opportunity to go and have a look and ask questions.

BANKING

A great week last week for banking, with 47 bankers. Well done to Tane te Hihiri with 5/6 bankers and Ruatēpupuke with 4/5 bankers last week. Fantastic efforts from these 2 classes. We also welcome our latest bankers Kaytalena and Temalisi in Whare Tipu and Sekani-Heiz a future student who will be attending Kaiti School.

NGA ATUA

In the beginning Papatuanuku and Ranginui were together.
They had many children.
Then Tāne Mahuta pushed Papatuanuku and Ranginui apart.
Then Tawhirimatea got angry.
Tawhirimatea made the wind and the storms.
When it rains it means Ranginui is crying.

DAFFODIL DAY - MUFTI DAY

It is Daffodil Day this Friday. Support the Cancer Society by sending your child to school with a gold coin and coming in mufti. Our local Cancer Society provides vital cancer support services to patients and their whānau, ensuring nobody has to go through cancer alone. This is an awesome kaupapa, so please support it.

BOARD ELECTIONS

Voting papers have been sent home, please vote and send these papers back to school in the envelope provided. We are very lucky to have an amazing group of candidates put their names forward to be on the Board of Trustees. Your vote counts so return your voting paper to the office as soon as possible.

SCHOOL PHOTOS

Envelopes have been sent home for class, sports team, individual and whānau photos. All School photos will be done next Friday. If you would like to get your order in on time, the photo envelopes will need to be dropped off to the school office **this Friday**. If you have any queries please come and see us at the office.

CAMP UPDATE

Just a reminder that Permission and Medical forms have been sent home for those students attending camp in Term 4. Please send these back to school as soon as possible so our Kaiako can start organising these trips for later in the year. It is also timely that we remind our whānau that there is a 90 % attendance rate that is required for students wanting to go on camp, and top behaviour is expected at kura too.

A FEW REMINDERS

Just a few reminders please about some things we are seeing at school. Cell phones are not to be brought to school please, we have had a few instances of phones coming in. These will be removed and at the office for pickup from whānau if they are brought in. Also there are lots of tamariki visiting the mall before school and then bringing lollies in. Again, these are not allowed at kura so please remind your tamariki. Thanks for your help with this.
