Kia Tū Maia, Kia Tū Pakari, Kia Tū Rangatira

Making a difference for others

Above, our special student leaders Alexandria, Nico and Lovey fill the local Kapata kai with provisions using the proceeds from the term 1 junior disco.

It's been a busy few weeks in the middle of term 3 as we prepare for **ako hui** coming up in a few weeks time. Students have completed their cross county training and the big run, they are now moving into Basketball and preparing for Athletics season in term 4. A group of year 8s head out to Whangara this Friday to spend the day with other year 8s from Porouariki Kahui Ako. A group of new entrants will spend the day out there next week doing the same. Next week 22 year 7-8 students travel away to the BOP for the AIMS games. Assessments are on as well this week. So much to do at Kaiti!

Who love learning.

Well done to Tane te Hīhiri and Ruatēpūpūke who were our top banking class last week. 44 Bankers in total. Let's see if we can make 50 bankers this week.

Photos are on!

Tomorrow we have our class and sports photos. Friday is individuals. Please ensure that our Kaiti kids look tidy and at their best for school photos. It's not too late to get your envelopes in for photos.

Sports updates

Cross country inter school

Our cross country team have been training hard for the cross country run and today they competed in the inter school event at the Show grounds. After a 2 year hiatus with Covid, it was neat to see our kura back competing together in this event. Well done to Matua Paora and the team who looked fit and sharp out on the track today.

This is the last weekend for Soccer

Last games of soccer this Saturday. What a long season it has been, but we have made it. There were some freezing mornings and some sunny ones. Some days where teams did not have enough players and others when we had too many subs. All in all, it was a wonderful season of soccer for our Kaiti kids. A big mihi to the soccer coaches, our parents, who have kept our teams turning up, competing and having fun. It really is nice to see our sidelines packed with Kaiti Parents who are kind and supportive of our players. Well done whānau!

Rugby and Netball inter school updates

We had some great results last week. Netball

Kaiti Takitimu Soccer Team

played away winning versus Makaraka and our Senior A rugby team had a good win against Mangapapa.

Playing in these teams is a privilege as we are representing our kura. To be in these teams, we expect our students to have top behaviour and give 100% to their learning in class as well.

Hockey results looking good

Matua Dallas and Matua Kohere are really happy with the good results that the Hockey academy teams are getting on the turf. Two wins last week for the academy. Kaiti Toa played Wainui Score 9-1 and Kaiti Maia are away with another win against Uawa 2-0. Kia kaha tonu koutou!

Swimming academy continues

Kōkā Rose is at capacity for her academy. Please make sure that if your tamariki are not swimming in

PLEASE SEND IN YOUR VOTING FORMS FOR BOARD ELECTIONS

Two of the current board members have decided to retire from the board and are not re standing for election. Turuhira Tamale and Charmaine Pahuru have been longstanding members of the Kaiti Board of Trustees. They have been with us for the good times and the tough times as well over 10 years. Both Turuhira and Charmaine have been on overseas trips with our kura, they have been active kapahaka parents and sports parents as well. Nui te aroha kia kōrua.

Ako Hui ..save this date

Ako Hui will be on Thursday 22nd September.

Have you handed in your booking form? Yesterday Kōkā Lil received over 100 booking requests for AKO hui. If you are new to the Kura, this is a special day of celebration for our learners who invite you into their learning spaces and share their learning with whānau. Please get those forms in whānau, there's a spare form on the back of this pānui. On Thursday 22nd School will be closed for normal school programmes but open for Ako Hui.

A few reminders

We have had to have some honest kōrero with a couple of our senior students these past few weeks about doing the right thing. Please remind your big tamariki that bringing cellphones to school is a big no no at Kura. Any student who brings a cellphone will have it taken off them and left in the office for parents to collect. Lollies are not a good idea either. Being on time is important too. It is not ok for seniors for be walking in at 9.30am in the morning. Let's make sure our tamariki are here on time please.

We go out the gate

Every week Matua Paora and Matua Fergus head out the gate with a group of students to learn about our local Taiao and histories. This term we are travelling along the Tūpapa trail and learning about Ngā wai wehe e rua.

Making decisions for 2023

The Tū Rangatira Prospectus for 2023 will be available for Year 6 students in a few weeks time. Spaces for Tū Rangatira are limited to 20. Registrations of interest will be accepted once the prospectus has been sent home. There are also secondary school Prospectus for all secondary providers available for year 8 students in the office. Start thinking about where you will be in 2023.

THE WORLD OF URU TE NGANGANA - TE AO O URU TE NGANGANA

In the beginning in Uru Te Ngangana's world there would have been a jumbo sized moon and a blazing hot sun.

There would have be trillions of stars lighting up the night sky and flashing bolts of lightning would run across the sky.

Uru Te Ngangana's house would be fluffy white cotton clouds.
