Toitu Te Tiriti Honouring the Treaty

Term 1 and we are into it!

What a great start to 2024! Every class was straight into their learning last week and this week we have continued as we started. We hope you enjoyed your Waitangi Day. Our classes have been learning about the history of the treaty, the partners in the treaty, as well as creating their own treaties in their classroom.

We have also had a busy week with manuhiri in our kura. Yesterday we had the Minister of Education the Hon. Erica Stanford in the kura talking to our kaiako, and today we have had the Duffy Books in Homes Board of Directors at kura having their first hui of the year and a Mainfreight team cooking sausages for our tamariki. We appreciate them coming to Kaiti Kura to speak with us and to be able to meet them, give feedback and share our awesome learning space with them.

BANKING

Great to see lots of whānau coming in to sign their tamariki up. Last week we had 33 bankers Week 1. Rawe! Let's see how many we can get tomorrow.

VANDALISM

We were really disappointed to have had a couple of incidents of vandalism in the kura last week! The artworks on the fence as you enter school - one piece removed and another broken, as well as cameras. If you know any information with regards to any of this we would love to know.

SWIMMING

Swimming is underway! Great to see so many of our tamariki organised and ready for swimming on their swimming days. Juniors are on Fridays, Seniors on Wednesdays. We are fortunate to have the expertise of our Comet instructors delivering each child 10 lessons this term. Please ensure your child has their togs, it is a life skill, especially with us living in beautiful region surrounded by river and beaches.

PICKING UP TAMARIKI

Kura finishes at 2.30pm and gates aren't opened until 2.25pm for pickups. If for any reason you need to pick your child up early for an appointment, then please come into the office.

LUNCHES

If your child has any allergies, please come in urgently and complete allergy forms. If your child no longer wants school lunches then you need to let us know at the office as well thanks.

AFTER SCHOOL CARE

There are spaces in after school care, we have forms in the office or you can pop in and see Kōkā Trudy about this.

CAMP WHANGARA

Our Year 7 and 8s headed to Whangara this morning for some fun and whakawhanaungatanga. They are staying the night on Whangara Marae before heading back on Friday morning.

KAITI VAN

There is no van this term for pickups but if you have any questions or need support then please pop in and see Kōkā Moana.
