TOKI AO MARAMA - ERO REVIEW VISIT

Ko te tamaiti te pūtake o te kaupapa.

We recently had the Toki Ao Marama ERO team visit to support our Te Reo Maori programmes in kura. The visit provided some valuable feedback for future focus and acknowledgement to the kura and the Koka and Matua of the very good work that is happening in the Puhi Kaiariki classes. A big mihi to the Puhi Kaiariki team for their leadership and guidance with Te Reo Maori programmes in kura.

KAUPAPA NUI

Last week we were very fortunate to have Voyager and Master Carver Matua Te Aturangi Nepia Clamp visit our kura. Matua Te Aturangi came to speak to our senior classes about his voyaging experiences on Waka Hourua throughout the Pacific and the America's. Matua Te Aturangi also shared his korero about the building of the Waka Hourua Tairawhiti and his responsibility to oversee the funding, planning, designing and construction of this waka. We are very grateful to Matua Te Aturangi for sharing his knowledge and passion about Waka Hourua with our tamariki.

Kōkā Sandy prepping our kotiro for our pōwhiri for our ERO whānau, this morning. Ka rawe Kotiro ma.

Our Pakeke having a catch up with our Social Services Kaiarahi, Kōkā Amoe, last week.

SPORTS

Sports trials across all sports academies are underway. Trials started this week and will continue into next week. On Monday our Yr 5 & Yr 6 tamariki trialed for the Soccer Academy and our Yr 7 & Yr 8 tamariki trialed for the Hockey Academy.

This Thursday we have trials for our Yr 5 & Yr 6 Netball Academy and for our Basketball Academy.

All trials will be run after school from 2.45 - 3.45pm and tamariki will be required to wear their sports shirt, shorts, bring a water bottle and wear appropriate footwear.

Next Thursday, our trials for Rugby for Yr 5 & Yr 6 tamariki, begin.

Please make sure you are organised and bring your rugby boots, shorts, sports shirt and a drink bottle to kura.

WAKA AMA EVENT

A big thank you to Kōkā CC and Matua Paora for training our tamariki and organising and running a successful Waka Ama event last Wednesday. In addition we would like to thank the Dream Team, Kōkā Trudy, Kōkā Kesharn and Matua Tuhorouta for looking after the loading bay and ensuring our tamariki were safe getting in and out of the waka.

HEALTH AND SAFETY

Lockdown Emergency Response Training and Drill

Next Wednesday the school will be completing an annual Lockdown drill with the support of Emergency Response consultants - Harrison Tew. New staff will receive training and all students and staff will be involved in a lockdown drill. We will send further information about this drill on Friday.

POSITIVE BEHAVIOUR

Ensuring our school is a safe, happy place is important if tamariki are to thrive. From time to time, a small number of students can have issues with others which can cause conflict making students unhappy. It is important that we are very clear around the schools expectations of students respecting others at all times. Any student who is aggressive in any way towards others will be sent home. We are here to learn in a safe happy learning space.

KAITI SCHOOL 2024

RUGBY TRIALS

- **Year 5/6 Only**
- Pack your boots, mouthguards and water bottles.

WHEN: March 14th
TIME: 12PM
WHERE: Kaiti school back feild

WERO WENEREI

Kaua e wareware whānau. Te kaupapa mo apopo ko te Wero Wenerei.

🛹 Ka pai Layken raua ko Harlem 🛹

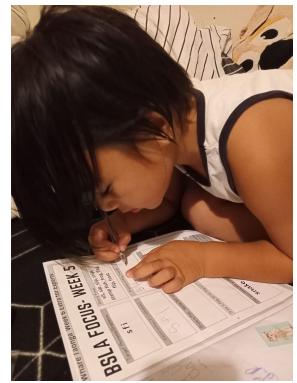

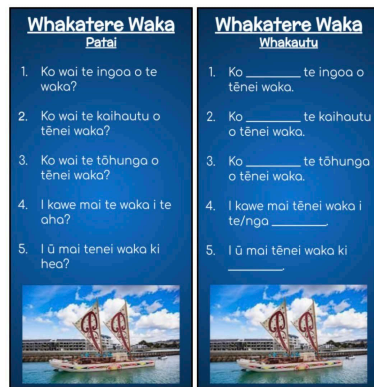

COVID

This is making the rounds again. If your tamariki are feeling sick or displaying symptoms of covid, please keep them home and give them a covid test.

MAHI KAINGA

Do your tamaiti or tamariki get home work.
Every week your tamaiti or tamariki should be getting a home work sheet shared on their class facebook page or pasted in their mahi kainga book, to complete. If your tamaiti or tamariki are not getting homework, please send a message to their kaiako on their class facebook page or come into kura and have a korero with them.

DROPPING OFF AND PICKING UP TAMARIKI

Please ensure your tamaiti, tamariki or mokopuna are dropped off at kura on time in the morning. School starts at 8.45am and there is a lot of important learning that takes place in the first hour of kura. Equally important is that you pick your tamaiti, tamariki or mokopuna up on time, after school. If you are going to be late please ring the school office and let them know so they can inform the kaiako or get them to bring the tamaiti, tamariki or mokopuna to the office to wait. Kia kaha whānau. Kaua e wareware.

Our visit to te waka Tairawhiti was a great experience today. Being out on the waka we could feel the wind and movement of the waka in the water, ask your tamariki how this felt? We looked into what it takes to make a voyage happen, then hoisted the sail, just like you would if you were voyaging.

DENTAL TREATMENT

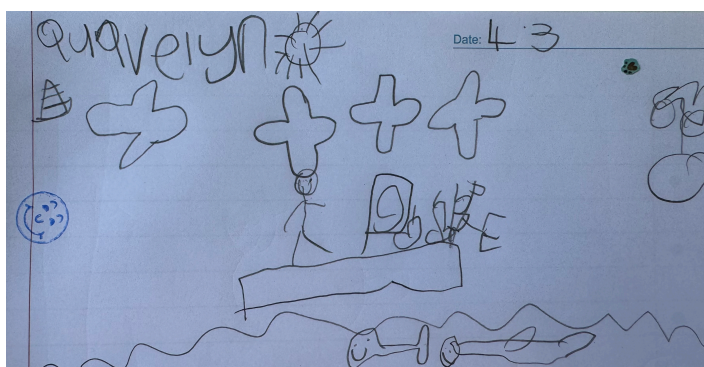

If your tamaiti needs dental care or treatment please take them to Waha Roa, which you will find next door to Ilminster School. Dental treatment is free for all tamariki.

BANKING

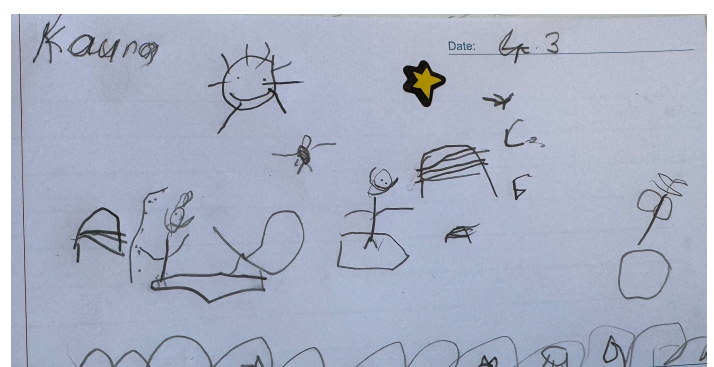

Banking numbers last week were still high with 50 tamariki investing in their future. A big mihi to Adi Salase who has joined the big group of tamariki that are developing a great saving habit. Ka mau te wehi tamariki ma!

Kia pai to wiki whānau
